

BSMGAC Summer Picnic Report 2018

On August 5, 2018 the club members and guests met at the home of John and Carole Gill in Littleton, MA to enjoy a picnic lunch. It was a very hot day and we gathered in the shade of the new garage building which had plenty of room, even with some of his cars still inside. There was way too much food, but it was all good. John's son in law, Chris, manned the grille and we had plenty of hot dogs, sausages, hamburgers, roasted corn on the cob, and all the fixin's for a summer picnic. We had a decent turnout of MGA club members as well as a former member and his daughter which recently got reconnected with the club. Although there are walking trails and a pond on the property, I think everyone was content to relax in the shade and swap stories rather than venture out in the heat. Everyone had a great time and no one left hungry! Thank you John and Carole for hosting the picnic this year.

Safety Fast,

Jack Horner
President, Bay State MGA Club
