

Bay State MGA Club Annual Planning Meeting and Winter Potluck Sunday. March 23, 2019

The BSMGAC Annual Planning Meeting and Winter Pot Luck will be held on Saturday, March 23, 2019 (with a snow date of March 24th) starting at 1:00 pm at the home of Dana and Kathy Booth in Carlisle, MA. We will be discussing the activities planned for the club this year, those we host and those we participate in with other clubs. The planning session will start around 2:00 pm and go until about 4:00 pm with socializing before and after. Please coordinate what to bring with Dana and Kathy by contacting them at 978-369-5702 or email [dana.a.booth@gmail.com](mailto:dana.a.booth@gmail.com) . The Booth home is located at 44 River Road, Carlisle, MA. This is just off Rt 225 just west of where the road crosses the Concord River. For those members who attended the meeting last spring you will remember where it is. If there are any changes to the date, I will send out an email to the members. Feel free to contact me with ideas for events beforehand, particularly if you are not able to make it to the meeting.

On another note, Don Tremblay and I made a trip to see Cecelia at Scarborough Faire in Pawtucket, RI so that I could pick up some parts for my MGA carburetor projects. Cecelia took plenty of time to explain some of the parts she has available for the MGA. Don has known Cecelia for over 40 years and I have known her for over 35 years. She has some of the best reproduction parts for our MGAs. Keep Scarborough Faire in mind when sourcing parts for your MGAs.

Safety Fast,  
Jack Horner  
President, Bay State MGA Club
