

NAMGAR "Drive Your MGA Day" May 4, 2024

The Bay State MGA Club is planning a drive to Jaffrey, NH to the Kimball Farm Ice Cream <https://kimballfarm.com/location/jaffrey/> for lunch on Saturday, May 4, 2024. I am planning on driving from my house, 74 Nutting Rd, Westford, MA on back roads to arrive at Kimball Farm about noon. Anyone who would like to caravan together from here is welcome to join me on the drive. Plan on being at my house by 10:30 and we will depart about 11:00. You can also just meet us at Kimball Farm and enjoy some seafood or other offerings and ice cream. After lunch we plan to take a short drive to John Elwood's barn to see his British cars. He purchased my 1969 MGB GT recently and also has an MG 1100 and a MG Arnolt among other cars. If you have questions you can call me at 978-399-4059 or email baystatemgaclub@gmail.com. The MG T Party members are also invited to participate. If the weather is inclement please come in any vehicle you wish. This is a rain or shine event. I hope to see you on the drive.
