

Bay State MGA and MG T-Party Fall Foliage Drive to Parker's Maple Barn

As discussed at our spring planning session we have set aside Friday, October 23, 2026 as our drive to Parker's Maple Barn <https://www.parkersmaplebar.com>. I am planning a drive from my house on back roads starting at 9:00 am to arrive by 10:00 am for a late breakfast/early lunch. If you want to drive with me my address is 74 Nutting Road, Westford, MA. You can also plan your own route to arrive by 10 am and meet everyone there. The weather is looking great for that day but it will be a crisp New England morning, so, plan accordingly. If you don't want to take your MG, you can drive any car you wish. This is as much a social gathering as it is a near last of the season drive of the MGs. We are planning this earlier arrival time as the restaurant can get quite busy later in the morning. Please RSVP to me at 978-399-4059 or baystatemgaclub@gmail.com to let me know if you plan to attend. Take a look at the provided link for address in Mason, NH. There is also a gift shop if you have some Christmas shopping to do. I hope to see many of you there!
